Beza Sileshi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am seeking a position that allows me to leverage my expertise in data management and public health research, particularly in roles that focus on predictive analytics and evidence-based decision-making. I am particularly interested in opportunities within organizations that prioritize nutrition, health data analysis, or public health initiatives.

Positive Points:

* Proven ability to manage complex data and translate it into actionable insights.
* Experience in developing comprehensive data landscapes and conducting thorough analyses.
* Strong commitment to evidence-based decision-making that positively impacts public health outcomes.
* Excellent teamwork and communication skills, fostering collaboration among diverse stakeholders.
